

Materiales y acabados

El sistema CUbox cuenta con una amplia gama de materiales y acabados que permiten realizar cualquier combinación y hacer uso de múltiples acabados tanto para puertas o frentes de cajones como para sobres (gres cerámico, cristal transparente / translúcido / lacado, acrílicos de alto brillo, tableros compactos, acrílicos minerales, etc.).

Materials and Finishings

The CUBox system has a wide range of materials and finishings allowing us to make any combination by using multiple finishings for doors and drawers fronts, as well as for units tops. (ceramics, transparent/translucid or lacquered glass, white glossy acrylics, compact panels, mineral polymers,...)
